

Gatwick North Terminal Arrival Details

If you arrive into the North Terminal at London Gatwick Airport then the following details will help you to locate the bus stop for our free shuttle bus. If you arrive into UK Arrivals then you will be slightly closer to the bus stops. The exit signs look exactly the same and when you emerge from the Terminal building you will be very close to the covered walkway.

North Terminal International Arrivals

At International Arrivals the large signs for the Exit and the lifts are almost directly opposite you.

View from International Arrivals

Walk under the Exit sign past the lifts. The lifts are about 10 metres away from International Arrivals.

Exit from the Terminal

Keep walking until you are outside the building. This is about 30 metres from International Arrivals.

Signs to Buses and Coaches outside the Terminal

When outside you will see signs for Buses and Coaches. Follow the signs heading towards the Buses and Coaches.

Outdoor signs to Buses and Coaches

Keep walking still following signs for Buses and Coaches until you arrive at the covered walkway (about 60 metres). Continue under the covered walkway, following the signs for Buses and Coaches. If you arrived into UK Arrivals then you will be able to see the start of the covered walkway as soon as you walk out of the Terminal.

Entrance to the covered walkway

Follow the covered walkway around the corner to the bus stops which are about another 50 metres away.

Under the covered walkway there are signs giving approximate walking time to each bus stop.

When you arrive at the bus stops, use the map to locate bus stop number 12. Gatwick Airport regularly change who can use each bus stop so ignore the map if it says that bus stop 12 is for a different company.
